Why a Summer Uniform?

For the safety of our students and to keep a united look during our performances, the Skyhawk Marching Band uses a Summer Uniform for August and September. This will be worn with the band bibber pants. When we start to wear the full uniform, the Summer Uniform becomes a moisture-wicking layer underneath, and accommodates easy clothing changes in public areas.

Students are expected to wear the Summer Uniforms for all performances, in or out of the formal band uniform. Students may continue to use their Black Band Shorts / Shoes / Socks purchased in previous years as long as those are in undamaged and good condition. All students are expected to have the band or guard shoe as part of their uniform.
